Sachbuch Philosophie, englisch

In showing how the great philosophers of human history lived and thought - and what they thought about - Peter Cave provides an accessible and enjoyable introduction to thinking philosophically and how it can change our everyday lives. With a lightness of touch, he addresses questions such as: Is there anything 'out there' that gives meaning to our lives? Does reality tell us how we ought to live?

Scholars, dreamers and sages who can teach us how to live.

Cave, Peter
How to Think Like a Philosopher

Reyna and Kianthe dream of opening a friendly book shop together, serving the very best tea and cakes. Worn wooden floors, plants on every table, firelight drifting between the rafters - all complemented by love and good company. But Reyna is an elite bodyguard to a vengeful queen, and Kianthe is the most powerful mage in existence. Leaving their lives behind seems . . . impossible.

A gorgeous treat of a book, filled with cosy adventure, sapphic romance and good feelings.

Thorne, Rebecca

Hardcover Kinderbuch, englisch

It's the summer before fifth grade, and for Ferris Wilkey, it is a summer of sheer pandemonium. Her little sister, Pinky, has vowed to become an outlaw. Uncle Ted has left Aunt Shirley and, to Ferris's mother's chagrin, is holed up in the Wilkey basement to paint a history of the world. And Charisse, Ferris's grandmother, has started seeing a ghost in the doorway to her room... But the ghost is not there to usher Charisse to the Great Beyond. Rather, she has other plans... 9+

A hilarious and achingly real love story about a girl, a ghost, a grandmother and growing up.

DiCamillo, Kate
Ferris
